RE: Michaela Weiser

Michaela was employed by Wild Republic from 11/04/2023 to 10/04/2024.

Her role was Customer Service/Inside Sales. Her primary role was to support our team of Key Account Managers covering the German, Austrian & Swiss countries. She also helped in other countries as needed.

Her functions included speaking & working closely with all departments within the company & also having direct contact with customers.

Michaela was a helpful, dedicated & supportive employee ensuring the team got the support necessary to offer an excellent customer service.

It is due to a change in corporate strategy that we are unable to renew Michaela's contract with Wild Republic

We wish her all the best for the future.

Kind Regards,

**Audrey Forton**
